CLASSIFICATION OF HIDES.

FIRST, No. 1 hides shall be free from cuts, hairslips, drags, badly scarred, grubs, or being cut out of shape.
SECOND, Hides shall be classed as No. 2 which have any of the above defect.
THIRD, Glue hides and skins should include such as are badly hairslipped, badly cut or dragged, or "pepper boxed," grubby hides.
FOURTH, All hides to be swept clean and all tail bones to be entirely skinned out or the tails cut off; besides which, sinews, meat and other foreign matter shall be removed before the hides are weighed, and a tare of two pounds per hide be obtained. Hides in wet must be dried a sufficient length of time or additional tare allowed.
FIFTH, Frozen hides—Three pounds tare shall be obtained on each frozen hide and extra tare obtained for frozen hides carrying horns and manure. Frozen bulls, tongs and oxen, also hairslipped and dragged hides, shall be classed as number two.
